3. Wrap-up. Continue the [Journey 2050 Lesson 5: Online Module video](#) (6:00-6:24). Answer the questions below about your career profile and review the key points.

a. *Of the careers listed at the end of the career profile, which career do you think would be your top choice? Why?*

b. *Of the careers listed at the end of the career profile, which career do you think would be your 2nd choice? Why?*

c. *Of the careers listed at the end of the career profile, which career do you think would be your 3rd choice? Why?*

Key Points:

- Many diverse careers are found in agriculture.
- People working in agriculture play a hand in feeding the world sustainably.
- Off-farm agricultural careers are important and integral to sustainability. The people in these careers do many things such as:
 - Improve efficiency in food production.
 - Discover and help implement new best management practices to be used in agriculture.
 - Educate and communicate to the public about the source of our food.
 - Help minimize food waste and hunger.
